Man strives for glory, honor, and fame,
 That all the world may know his name.
 Amasses wealth by brain and hand;
 Becomes a power in the land.
 But when he nears the end of his life
 And looks back o'er the years of strife,
 He finds that happiness depends
 On none of these, but love of friends.

"Bite my Burrito."

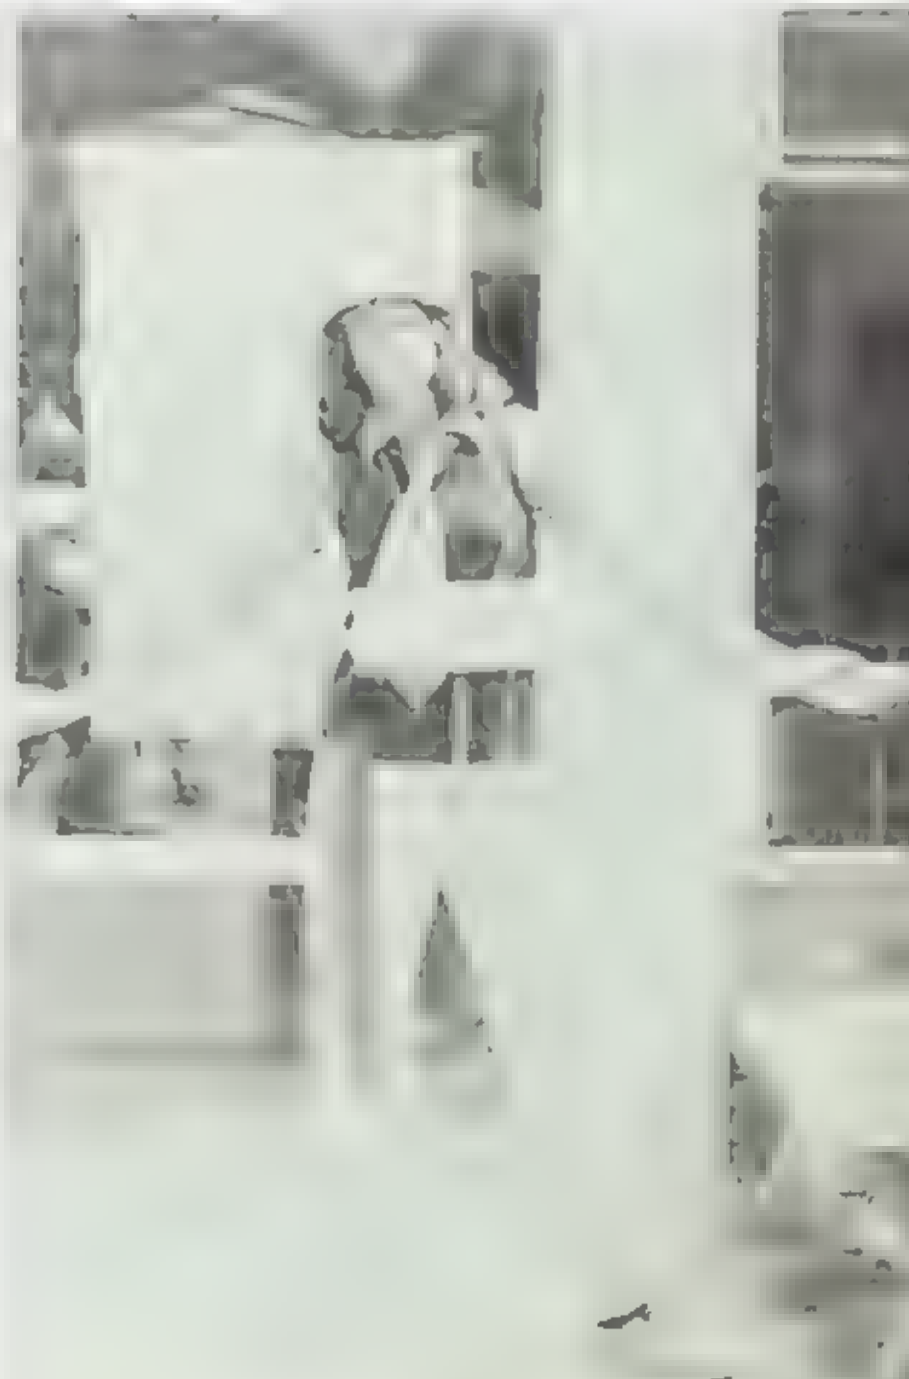

A True Testimonial to the Charles Atlas Experience

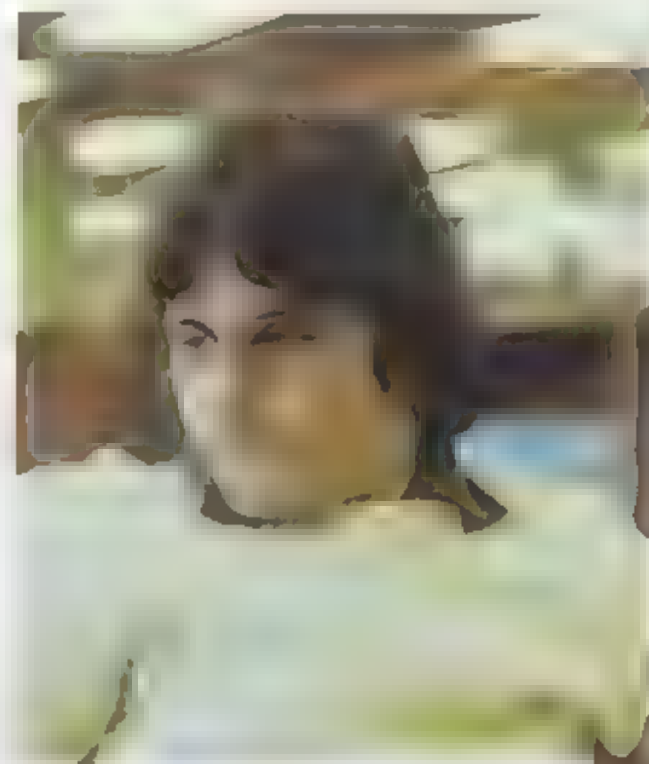

"Hi — I'm Cute!"

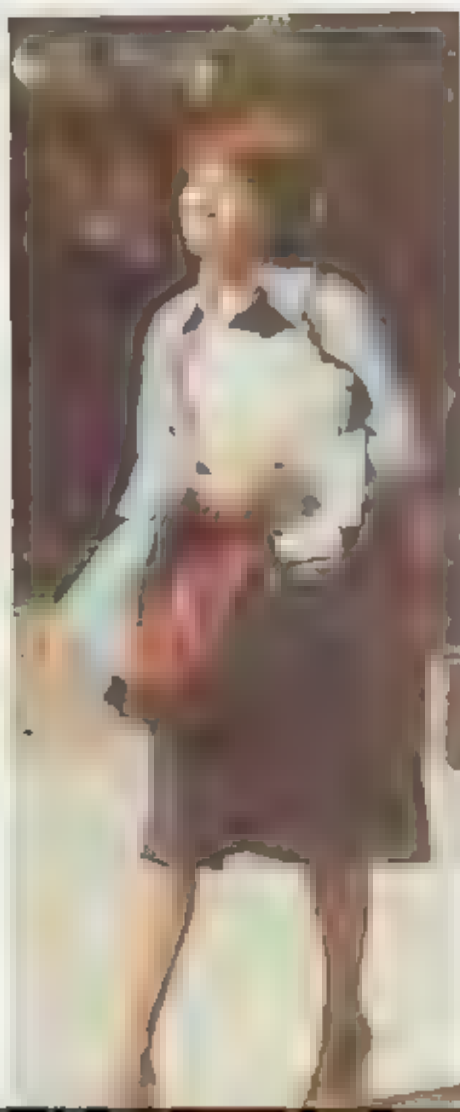

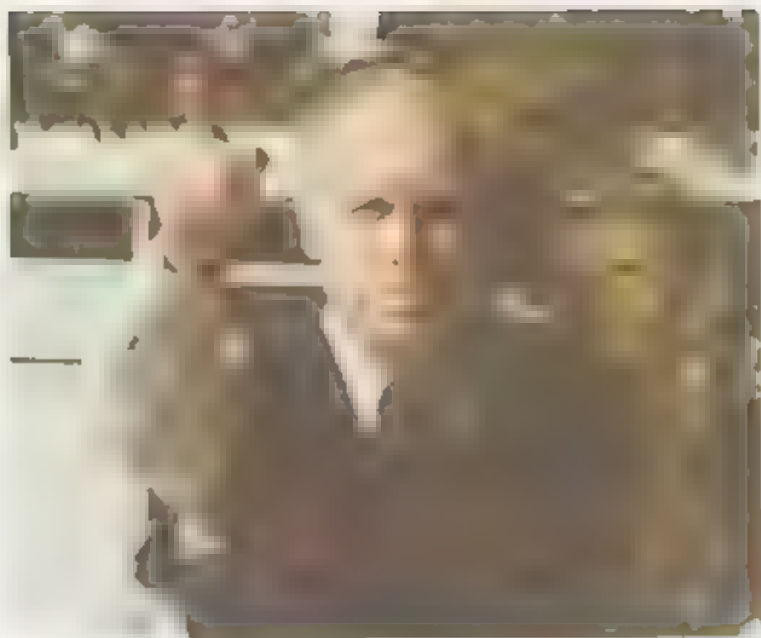

"Take me — My name is Francis Stone, and I'm yours!"

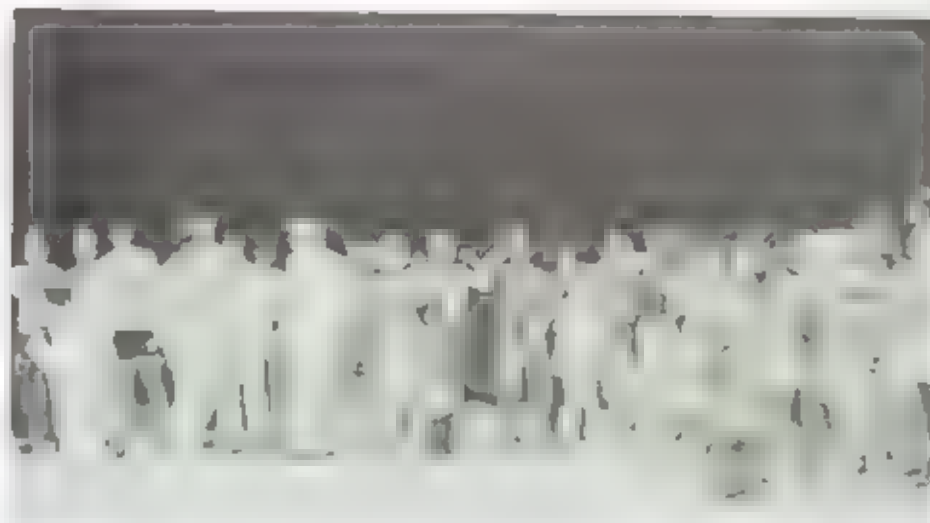

"Feet back and spread them!"

The Student Council put on a Gong Show in the Fall, raising over \$600. Among the contestants were the famous Oreos, the Burrito Brothers, and the Towelettes

"I don't care if he IS green, he's still cute!"

What a couple of Cuties!

Dedication

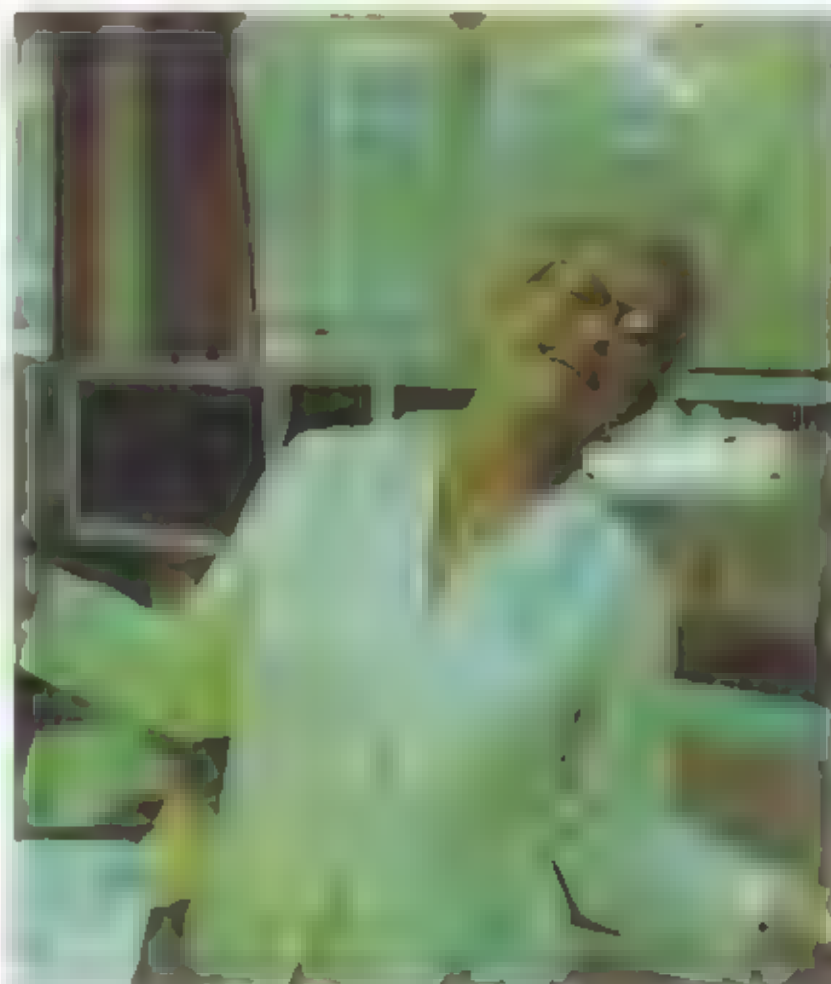

1978

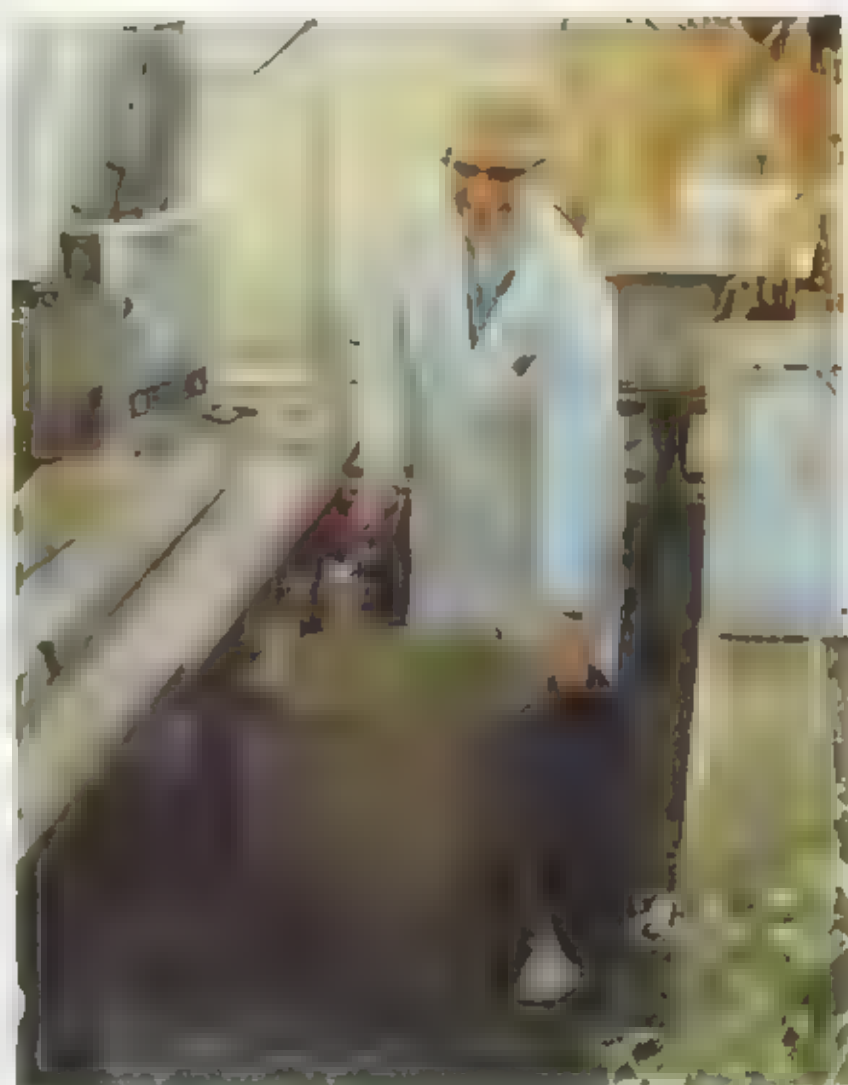

A builder builded a temple,
He wrought it with care and skill,
Pillars and groins and arches,
Were fashioned to meet his will
And men said when they saw its beauty:
"It shall never know decay,
Great is thy skill, O, Builder
Thy fame shall endure for aye."

A teacher builded a temple,
She wrought it with skill and care,
Forming each pillar with patience,
Laying each stone with care,
None saw the unceasing effort
None knew of the marvelous plan,
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple
Crumbled into dust,
Pillars and groins and arches,
Food for consuming rust
But the temple the teacher builded
Shall endure while the ages roll,
For the beautiful unseen temple
Was the child's immortal soul

Dolly S. Hickman

The Senior Class would like to dedicate the 1978 POSTSCRIPT to a woman who in the past twelve years has given of herself to every facet of the school. She has, to the good fortune of Country Day, shown a vital interest not only in Academics, but also in the Arts, Athletics, and all other Activities. It is the extreme honor of the Class of 1978 to dedicate this POSTSCRIPT, as a token of our highest esteem, to you Mrs. Hickman.

Marilyn M. Johnson

The 1978 POSTSCRIPT staff would like to take this opportunity to make a Special Dedication. It is our distinct pleasure to recognize a Lower School teacher in this manner. Often, after years of growth, teachers who meant so much to us in our youth are forgotten. It is with unique respect that we make a Special Dedication to the teacher who has endeared herself to Country Day for twenty six wonderful years, Marilyn M. Johnson.

La France Normandie à Paris

The class of 1978 wishes to express it's appreciation and gratitude to an outstanding member of Country Day's faculty whose twenty years of devoted service is beyond praise. She has not only shared her knowledge of French Culture, but has also been a steadfast friend. We refer, of course, to Mme. Shumake, chairman of the Language Department.

Last spring Mme. Shumake led a group of Juniors and Seniors on an exchange trip to Paris. She shouldered responsibility without a frown, and demonstrated boundless energy. Thanks to her, for those who went, the trip was the highlight of our years at Country Day.

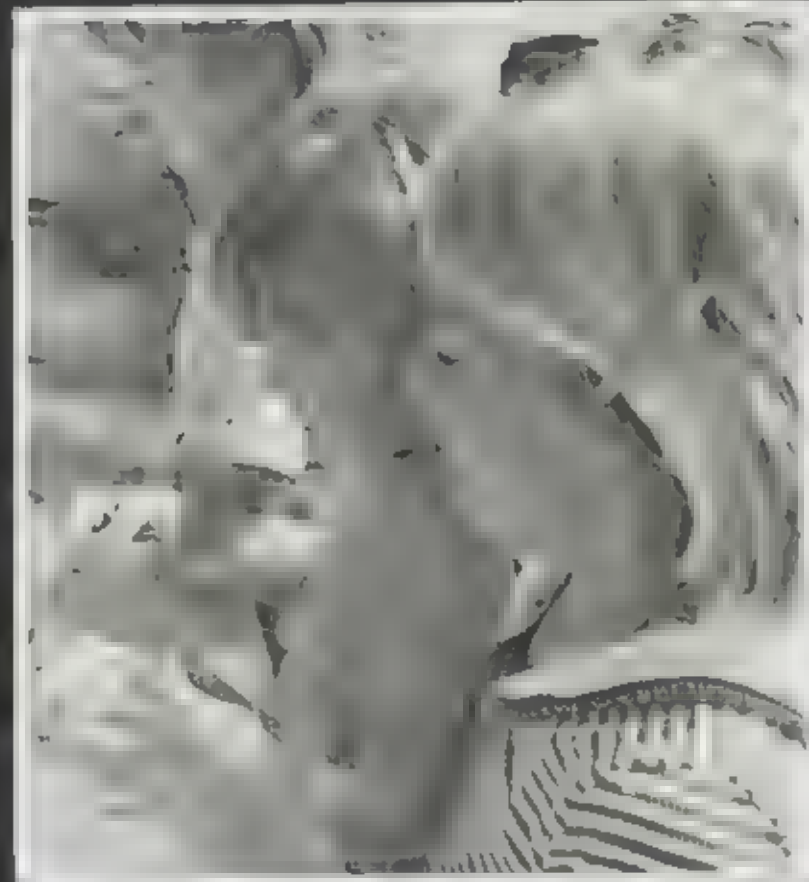

Mme. Shumake, merci mille fois pour tout. Nos meilleures amities.

Votre classe de 1978.

Old Building Entrance

Big Saturday

Last year's Big Saturday, the 23 of April, proved to be the biggest and best ever. More traditional booths, such as the Silk Purse and Silent Auction, proved once again to be worthy, however, last year's biggest project was the "Rebel Rabbit Raffle." A brand new, green, Volkswagen Rabbit was anonymously given to be raffled; the winner was seventh grader Jimmy White. The proceeds amounted to over \$27,000, and has been used for new bleachers in the gym and wrestling room; the protective fence bordering the school on Carmel Road, and the bulletin board on Sanger Hall.

Graduation June 9, 1977

The Postscript staff would like to express its deep appreciation to the Class of 1977. The members of this class gave us their friendship and their leadership in a manner which allowed the usual class barriers to be forgotten. Throughout the year they demonstrated a special strength and enthusiasm which will be difficult to equal.

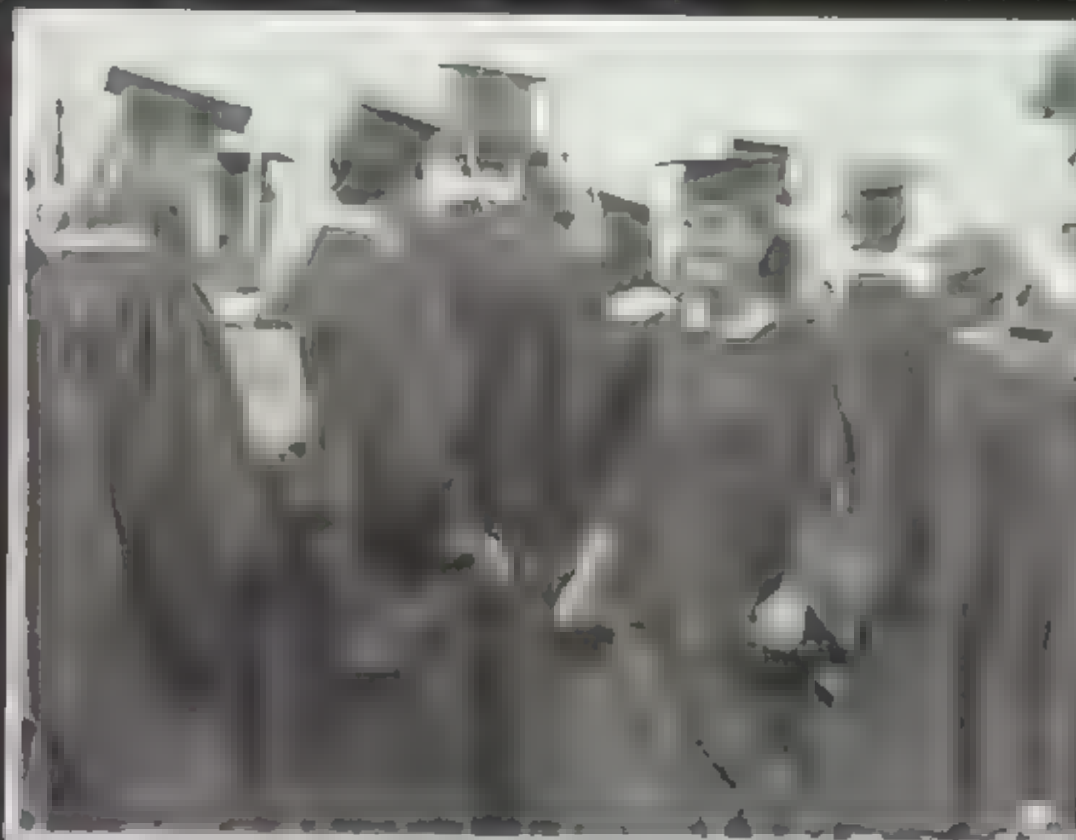

The Postscript staff wishes the best of luck and happiness to the Class of 1977 in all their future endeavors.

Dr. Robert E.R. Huntley, President of Washington and Lee, delivers the Commencement Address.

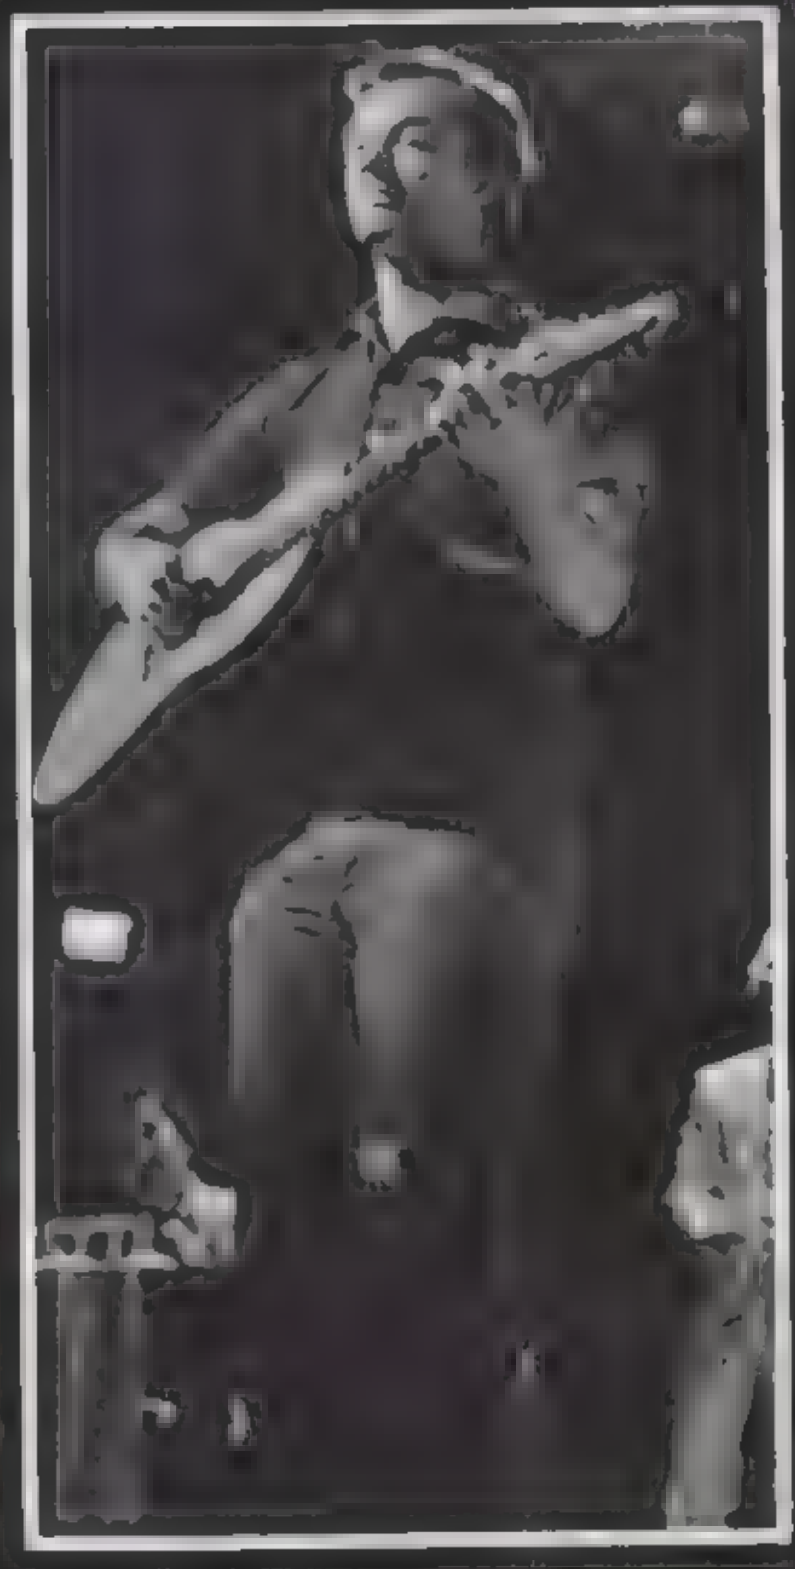

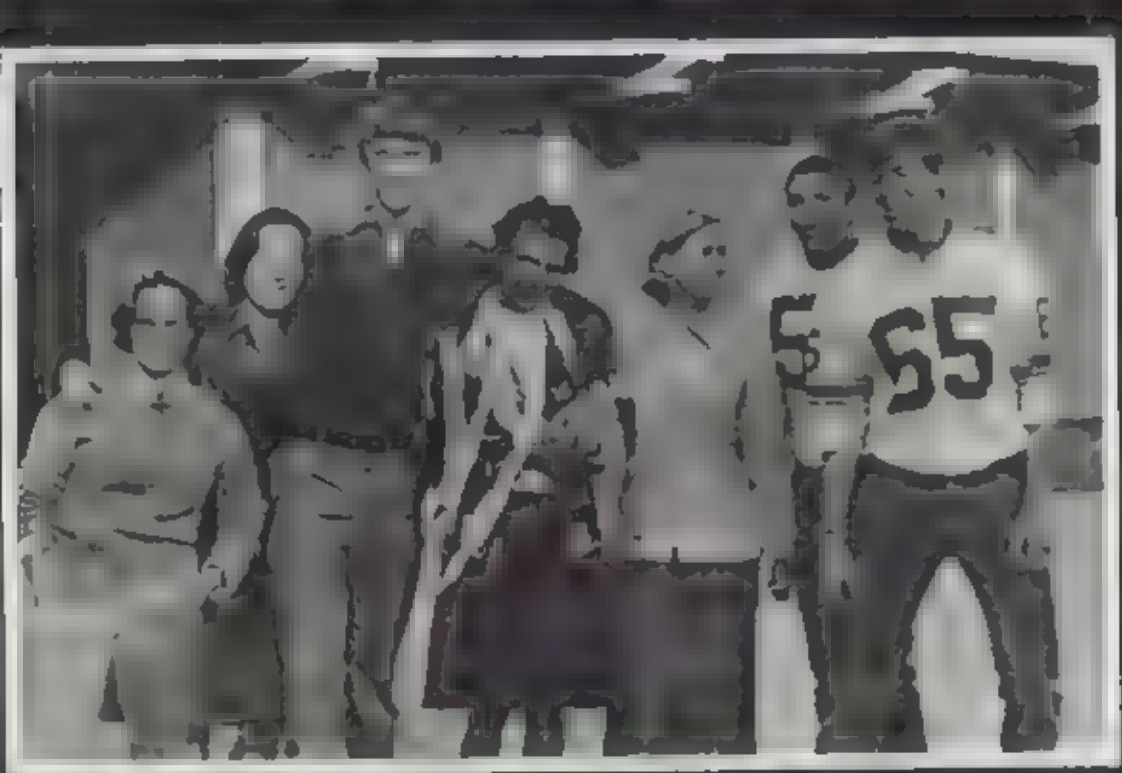

1977 Jr.-Sr.

The 1976 Jr.-Sr. class (May seventh) at Myers Park Country Club. The Junior Class, which traditionally sponsors the dance, raised over \$2,150 for the evening by washing windows, and selling lightbulbs and poinsettias. The band, the Spontanes, played both popular, and beach music, and was well received by all. The Senior Class, last years Junior Class would like to take this opportunity to express it's sincere appreciation to Mrs. Soldati, whose undying perseverance made the dance possible.

I'm sorry Spanky, but I must live my own life.
Alfalfa

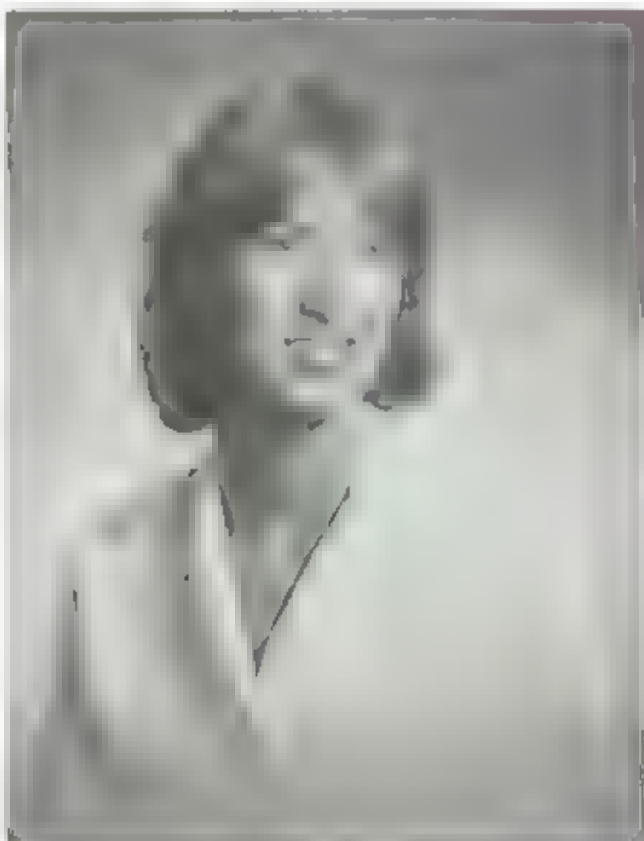

It's gonna take some time this time
To get myself in place
I really fell outta line this time
I really missed my space
Like the young trees in the winter time
I'll learn how to bend
After all the tears we've spent
How can we make amends?
So it's one more round for experience
And I'm on the road again
And It's gonna take some time, this time.

Certain heads, certain colors and textures of human hair leave permanent marks on me. Other things, too. Charlotte once ran away from me, outside the studio, and I grabbed her dress to stop her, to keep her near me. A yellow cotton dress I loved because it was too long for her. I still have a lemon yellow mark on the palm of my right hand. Oh, God, if I'm anything by a clinical name, I'm a kind of paranoid in reverse. I suspect people of plotting to make me happy.

Alice Elizabeth Anne Dixon

Smile with the intent to do mischief; laugh having done it.
Robert Burton

He has spent his life best who has enjoyed it most; God will take care
that we do not enjoy it any more than is good for us.
Samuel Butler

Memories may be beautiful, and yet, what's too painful to remember
we simply choose to forget.

So it's the laughter we will remember whenever we remember the
way we were.

Alan & Marilyn Bergman

Perry Dunlap Dowd

Every year I live, I am more convinced that the waste of life lies in the
love we have not given, the power we have not used, the selfish
prudence that will risk nothing and which, shirking pain, misses hap-
piness as well. No one, ever yet, was the poorer in the long run for
having once in a lifetime let out all the length of all the reins.

Man must fight for freedom sure that's what
most other people would say
Look for a body to lead them but there's too
many to lead them away.
Why wait until it's your time to die before you
learn what you were born to do?
Come on now it's freedom calling but there's
only one freedom for you.

Cat Stevens

Say are you readin' me right or are you to afraid
Say take a bit of a look
Tell me what you think you see
Say have you ever been took
You're lookin' like you oughta be
Close your eyes and sigh a little
Guard your mind and cry a little

Like into space it knows no boundaries;
 Yet it is right here with us ever retaining its
 serenity and fulness;
 It is only when you seek it that you lose.
 You cannot take hold of it, nor can you get rid of it;
 While you can do neither, it goes on its own way;
 You remain silent and it speaks; you speak and it is silent.

Forget what life used to be
 You are what you chose to be
 It's whatever it is you see

CLUBS

Aquilifer

Aquilifer is the girl's honorary service organization; being chosen as a member is the highest honor that a girl can receive at Country Day. Members must be in grades 9-12, have an 80 or above grade average, and have 6 "quality" points. Members demonstrate honor, integrity, and leadership in all aspects of school life. Among the services performed by Aquilifer this year have been helping with the Halloween Parade, serving at Christmas Breakfast, sponsoring a canned food drive during Christmas, ushering at all plays and other performances, and helping at Parents Night this fall. Begun in 1961, Aquilifer's initiation ceremonies provide entertainment for all.

SPORTS

We would like to take this opportunity to express our appreciation to the many people at this school who coach athletics. Often, the people behind the players go unnoticed and unrewarded. Few people realize the time and the patience involved in coaching. Therefore, we would like to dedicate the following section of the 1978 POSTSCRIPT to these people in thanks for, and in recognition of, their many efforts and contributions.

Front Row: Gary Sullivan, Bill Gotherman, Jay Martin, Forrest Lupo, Nat Fortune. Second Row: Bo Tompkins, Jamie Chapin, Peter Hill, Tony Aspland, Coach John Burke.

This years Cross Country team did very well, finishing the season with a 22-12-1 record. The team was coached by John Burke for the second year in a row. This very young, but strong team worked hard this year, running every afternoon through local neighborhoods, and over the 2.8 mile Cross Country course. The Team, led by veteran runner Gary Sullivan, who gained seven first place victories, and three second place finishes, continually outpaced larger teams.

Despite injuries, the team placed fourth in the state, with Gary Sullivan individually finishing second

As senior Peter Hill will be the only member of the team not returning next year, next year's team promises to be a power, possibly a team which could finish first in the state.

Nat Fortune runs during the State Meet. The Rebels came in fourth

Varsity Field Hockey

This year's Varsity Field Hockey Team comprised a very impressive record of 6-2-1. At the beginning of the season, there were some doubts as to how successful the team would be, due to a large loss of players by graduation. However, the team proved to be a surprise to many people. The co-captains Alice Dixon and Poppy Holzworth provided leadership, and the team's unity was probably a key factor to their winning.

An early win against a tough Wade Hampton team showed just how much strength the team had. The one tie of the season came against arch-rival Christ Church, where Christ Church scored a freak goal in the last minute of the game, to tie it up. On Saturday, October 29, the team travelled to Furman University to play in an Allied Tournament. Seven of the players were selected to All-Star Teams: Molly Wilmer (1st team), Alice Dixon (1st), Ginny White (1st), Natalie Martin (2nd team), Lynn Rutland (2nd), Lucy White (2nd), and Poppy Holzworth as an alternate. The Team's only two losses came in the last week of the season against a fast Christ Church team, and an improved Wade Hampton.

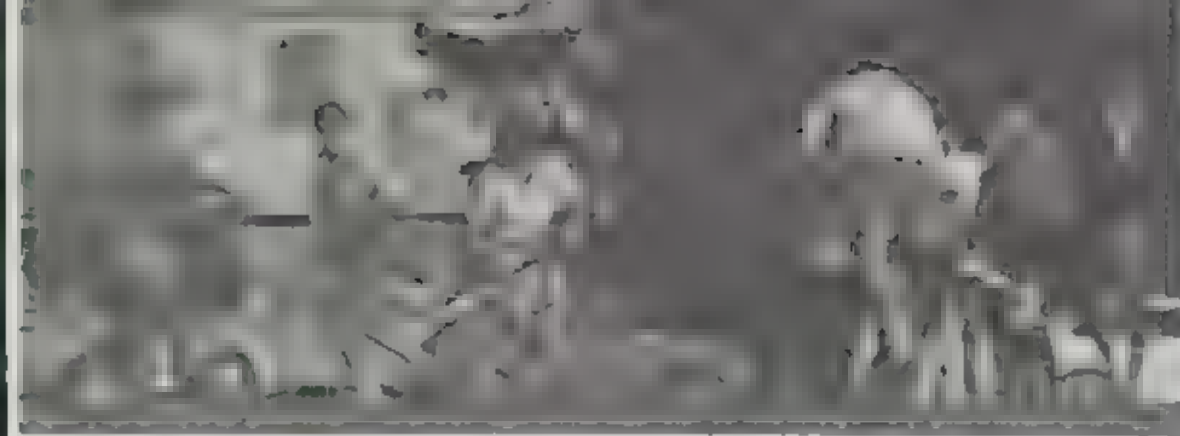

Much, thanks must be given to the team's coach, Miss Clark, who gave her time and efforts so freely, honestly believing that we could be good. Thank you Miss Clark.

Country Day's Varsity Football team had a very successful regular season, compiling a record of eight wins, two losses. The Rebels were coached by Head Coach John Cook, Dave Wheeler, and Alan Lee. The team, which began practice in early August, was a hard-working group, sometimes practicing three hours a day, improved rapidly over the season. The Rebels began the season with a solid victory over the South Carolina School for the Deaf, yet fell to East Lincoln in the second game of the season. After this disappointing loss, the Rebels were able to accumulate six consecutive victories before falling to a powerful Charlotte Catholic team in a close, exciting game. Country Day, led by Co-Captains William Clark, finishing his fourth year at the Varsity level, and junior Wylie Lowery, quickly came back to soundly defeat 2-A Parkwood of Monroe in the last game of regular season play. A strong Country Day football squad entered the State Playoffs with high hopes of a third NCISAA State Title. Unfortunately, a strong Christ School team upset the Rebels in the first round of the playoffs.

Mike Stacks was voted Most Valuable Player, as well as being named Honorable Mention All-County by the Charlotte Observer, and the Charlotte News. William Clark, and starting quarterback Robby Baynard were also named Honorable Mention All-County by the News and the Observer. Wylie Lowery was named Honorable Mention All-County by the Charlotte News, and made the Charlotte Observer's Second All-Star team. Senior back Gaston Gage, who rushed for a season total of 1028 yards, 214 in one game for a game average of 96.3 yards, was named by both papers Honorable Mention All-County.

The team also received an award from local radio station WIST for scoring the most number of points during regular season play of any other private school in Charlotte. The 1977 Country Day Football team was a powerful, well organized, and very talented group; one whose spirit and determination will be difficult to equal ever again.

The 1977 Varsity Soccer team had a winning season, ending with a 8-7-1 record. This record, however, doesn't indicate the strength and determination of the team. With the rising power from an outstanding Junior Varsity team, the Rebels should look forward to a great season next year.

The team lead by Captain Chuck Kinsey, and seven other seniors: Doug Smith, Dale Owen, Garrett Power, Sam Harwell, David Ingle, Lars Morch, and Jimmy Bass, opened the season with two sound Victories over Northside, and Carmel Academy, before falling to a strong Providence Day team. After that, and two other losses, the Rebels came back to beat Valleydale. Following that win, Country Day fell to Latin, only to pick up two wins in the next two games. After two consecutive losses to Carmel Academy, and Providence Day, the Rebels tied with Charlotte Christian, and ended up the Regular Season with two strong victories. Unfortunately, the Rebels were defeated in the first round of the playoffs by a strong Ben Lippen team. This year the Rebels were coached by Winn Robinson, and newcomer Bob Grizzard. Sophomore Jeff Gorelick deserves special mention for scoring four goals in one game. Garrett Power was named All-Conference CISAA.

The 1977 Varsity Volleyball team had a very impressive season, finishing with a 15-4 record, and the title of Second in the State. The regular season was marred by three losses, two to Gaston Day, and one very disappointing one to Charlotte Latin. During the season, the Rebels dominated the league, tying with Gaston Day for First Place in the Conference. The girls travelled to Pfeifer College to compete in the Western Regional Tournament. There, the girls were devastating, handily whipping four teams in a row, thus capturing the Western Regional Title. These victories led the girls to State Volleyball Tournament in Raleigh. The 1977 Varsity Volleyball team enjoyed the distinct honor of being the first girls team ever to go to a State Tournament. Led by Captain Barbara Miller, the Team found themselves pitted against Durham Academy in a best three out of five series. After winning the first game of the series, the Country Day team fell in the next three games. The Rebels captured the Second Place Title. Kris Kirkwood, Susan Keith, and Wendi Levine, who had the most service aces during the season, were all nominated All-Conference for their outstanding play. Captain Barbara Miller was named to the Western Regional All-Tournament team, as well as the NCSIAA All-Conference team. The girls, who were so ably coached by Mrs. Pignetti, were truly a hard working group who should be commended for their outstanding achievements.

Sophomore Libby Miller goes up for a block in a game against Latin. The Rebels went on to win, 15-12, 15-9.

The 1977-1978 Boy's Basketball team had a very successful season. For the first time in Country Day history the team won its twentieth game before entering tournament play. After opening the season with two disappointing losses to Laurinburg and Harding, the Rebels came back in their first league game to soundly defeat Charlotte Latin. After that, the Rebels coasted to four more victories before Christmas Break. December 28, 29, and 30, Country Day participated in the Myers Park Invitational Tournament. Unfortunately, the Rebels dropped two out of three games. Overcoming this setback, the team came back to take two more league games before meeting arch rival Charlotte Catholic. In a packed Country Day gym, the Rebels beat the Cougars, 58-54. Following that, the Rebels overwhelmed Gaston Day, Patterson, Northside, and once again Charlotte Latin before meeting with Catholic again, at Catholic. There, the Rebels did something that had never been done before; a 58-49 victory combined with the previous win, proved to be the first time that Country Day had beaten Catholic twice in the same season. After two victories over Valleydale, and Carmel Academy, Country Day beat Providence Day for the third time this year despite a definite height disadvantage. Lead by tri-captains Dale Owen, Chuck Kinsey, and Stephen Deal, Country Day went on to beat Christian, Gaston Day, Valleydale, and Northside assuring an undefeated league record, the Regular season CISAA championship, and a berth into the Western Regionals of the State Playoffs. After overwhelming Christian in the first round of the CISAA Tournament, the Rebels narrowly edged Providence Day to enter the finals. However, the Latin Hawks defeated C.D. 62-79. Following this disappointment, the Rebels went to Ashville to play in the Western Regional Tournament. After beating Christ School of Arden, the Rebels met Ashville School in the Finals. Hurt by inconsistent officiating and foul trouble, the fine Country Day team took the game into triple overtime before loosing to the very fast Ashville team. Coached by Jimmy Broadway, Ed Walton, and Bob Plyler, these players deserve praise for their efforts. Honors were as follows: Myers Park Tournament — Glenn McConnell (1st); Regular Season — Steve Deal (1st team), McConnell (2nd), Dale Owen (2nd), Chuck Kinsey & Bill Anderson (Honorable Mention); CISAA Tournament — Deal (1st & MVP), McConnell (2nd), Owen (Honorable Mention); Western Regional Tourny — Dale Owen & Glenn McConnell; Charlotte News — Deal (1st), Owen & McConnell (HM); Charlotte Observer — Deal (2nd), Owen & McConnell (HM). The MVP Award went to Steve Deal and Glenn McConnell, Most Improved was Chuck Kinsey.

Left: Senior Dale Owen handles the ball in the second game of the season against Harding. Dale, a Tri-Captain, scored 251 points this season, including 18 against Latin and 15 against Asheville School. Below: Chuck Kinsey goes in for an easy lay-up in a Country Day romp over Providence Day. Bill Anderson (#22) positions himself under the basket. Bottom Left: Sidelined the first half of the season due to a football injury, Robby Baynard checks the score during an early Country Day game against Harding. Bottom Right: Center Stephen Deal tips the ball in for an easy two against Patterson. Scott Cross (#44) gets in position in the 60-57 Country Day win.

Varsity Girl's Basketball

First Row: (L-R) Molly Wilmer (mgr.), Lucy White, Anne Hodges, Alice Dixon (capt.), Ginny White, Perry Dowd, Beth Mann (mgr.). Second Row: Coach Pignetti, Susanne VonRosenburg (mgr.), Emma Gover, Wendi Levine, Karen Bowers, Leigh Harvin, Francie Chapman, Sally Robinson, Ann Conner, Arlaine Rockey (stat.), Coach Clark.

After losing three starters from 1976-1977 Varsity Basketball team, there were some doubts as to how successful this year's team could be. However, these uncertainties proved to be short lived. Opening the season with an overtime victory over Charlotte Latin, the team displayed an unusual tenacity for winning which proved hard for other teams to overcome. Following the win over Latin with consecutive ones over Carmel Academy, Providence Day, and Charlotte Christian, the Rebels met archrival Charlotte Catholic with a 4-0 record. Unfortunately, the girls lost this game by two points. After this disappointing defeat, the Rebels faced Gaston Day. However, Gaston Day's balanced scoring attack helped them tremendously as they handed the Country Day team their first league loss. Led (?) by Captain Alice Dixon, the Rebels came back in the next two games of the season to beat Northside, and then Latin. Following this, the team got another chance to beat Charlotte Catholic, but, the Rebels lost, once again by only two points in a packed Catholic gym. Rising above this, Country Day met Valleydale, at Valleydale, and beat the Vikings for the first time in three years. Playing their next game, the fourth in five days, against Carmel Academy, Country Day lost, 36-42. The next day, in Spartanburg, the girls lost by three points to Spartanburg Day School. After a rest the Rebels beat Providence Day, and then Christian before meeting Gaston Day. Actually, the game was much closer than the score indicates, but the Rebels lost their third league game, once again the result of a balanced scoring attack by Gaston Day. The same week, the girls faced Valleydale, this time losing the one point game. Coming back from this, the Rebels gained a 61-38 victory over Northside in the last game of the Regular Season. Regular Season honors went to Francie Chapman, who was named to the CISAA First All-Star team, and Ginny White, who was named to the Second All-Star team. Francie was named to the Charlotte News' Second All-Star team, and Ginny White was given Honorable Mention, and the Charlotte Observer followed suit. The Rebels entered Post-Season play with victories over first Providence Day, and then Northside to meet Gaston Day in the Finals. The Favored Spartans were in for a surprise as the Rebels fought well but fell five points short of being the CISAA Champs. All-Tournament Honors went to Francie and Ginny. Traveling to Asheville for the Western Regionals, C.D. beat Ben Lippen in the first round, and entered the finals once again against Gaston Day. However, the Spartans were able to power their way to an eleven point victory. Western Regional Honors went to Francie and Ginny. The Team voted Francie the Most Valuable Player, and Leigh Harvin the Most Improved Player. Much should be said of the fine coaching Mrs. Pignetti and Miss Clark did, and the success of the season can be directly attributed to their hard work.

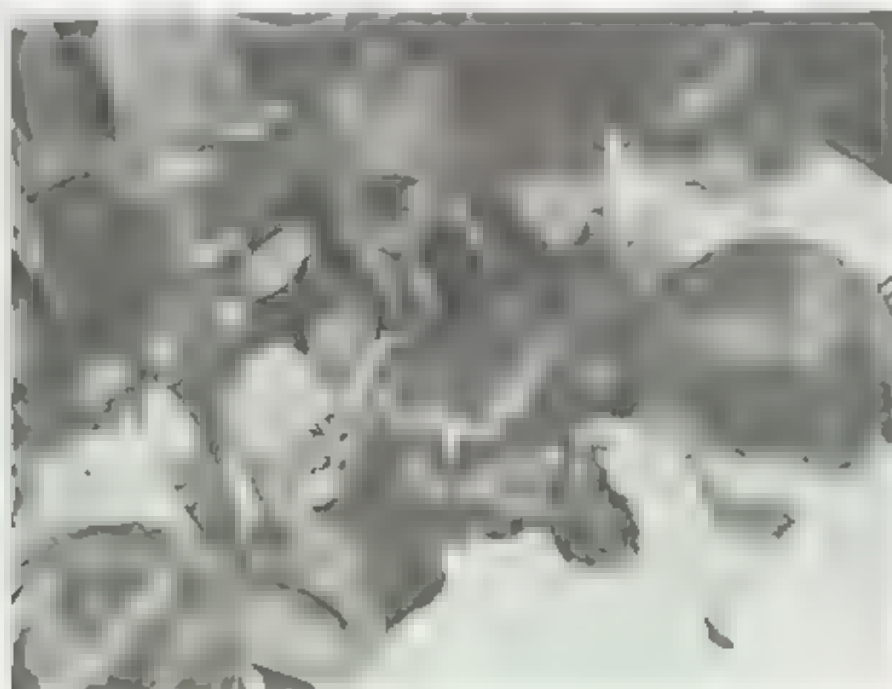

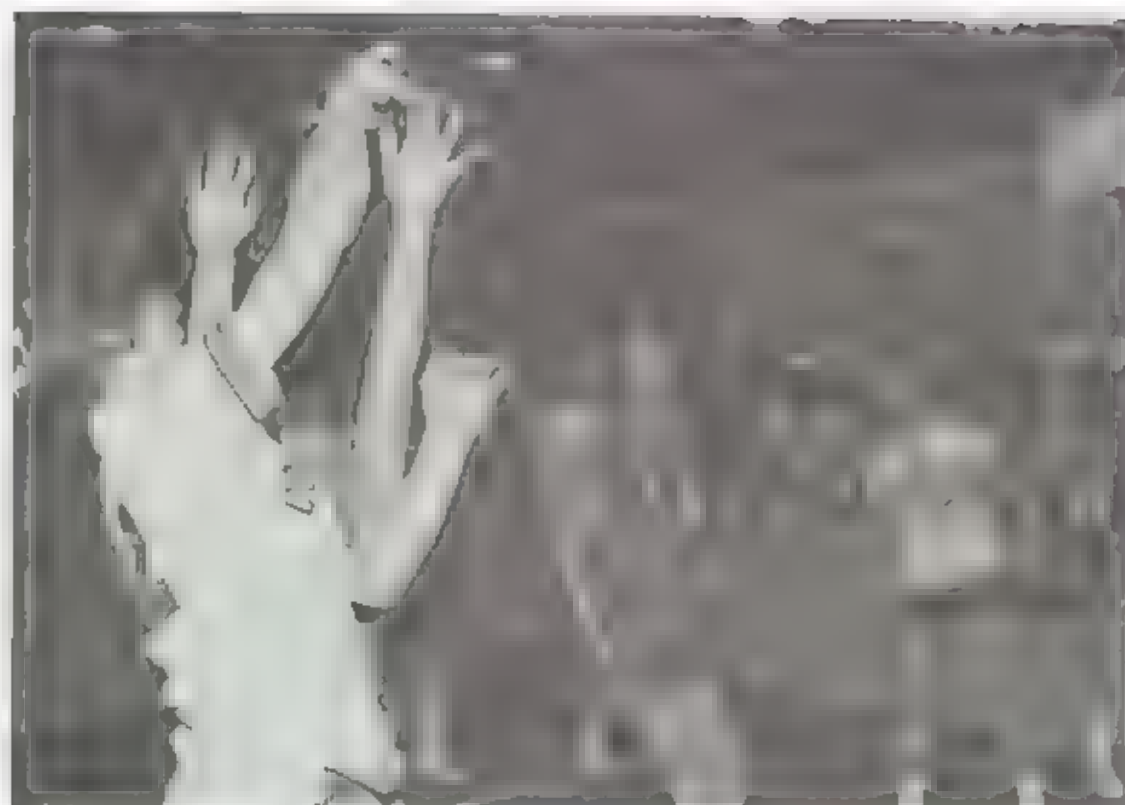

Junior Francie Chapman moves around a Providence Day defender in a 50-36 victory. Francie, a second year starter, was named to the First All-Star Team for Regular Season play in the CISAA League. Averaging 17 points, and 12 rebounds a game, Francie finished with 357 points for the season.

Varsity Wrestling

First Row: (l-r) Coach Ulrich, Tommy Dickson, Greg Evangelist, Mike Stacks (capt.), John Tillett, Dave Diamond, Keith Richardson, Clay Claiborne, Coach Bryan. Second Row: Monroe Bridges, Chan Swallow, Frank Whitney, Mark Merriman, Jim Fielder, Tommy Miller, Roger Stacks, Gaston Gage, Lance Stokes, Jimmy Johnson. Absent: Todd Barstow (mgr.), Brad Pfeifer

This year's Varsity Wrestling Team had its best season in five years, finishing with a record of 12-1. The only loss came to a powerful Charlotte Catholic team. The Rebels opened the season with a sound victory over 4-A Harding. After beating Christ School in the second match of the season, Country Day went on to beat 4-A West Charlotte and South Meck. Following a close victory over Ravenscroft, the Rebels met Charlotte Catholic at Country Day. This proved to be the only marr of a perfect season as the Rebels lost to a strong Cougar team. Actually, the match was closer than the score indicates. Led by Senior Captain Mike Stacks, the Rebels overcame this setback in their next match; they crushed Charlotte Latin, 64-11. This was followed by victories over Mt Pleasant, Garinger, Ravenscroft, Christ School, the North Carolina School for the Deaf, and Carmel Academy.

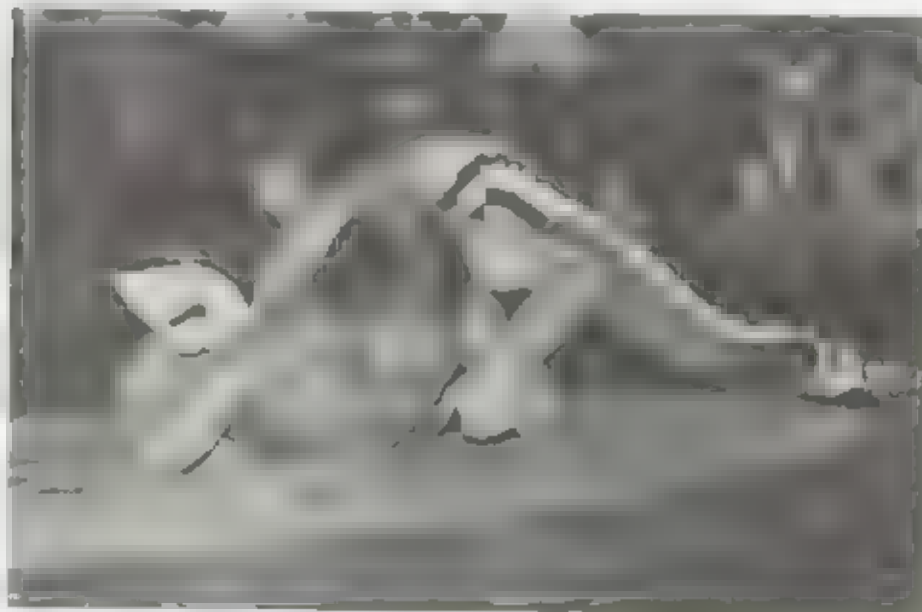

Individual accomplishments included wins at the Myers Park Tournament by Mike Stacks (1st), Tommy Miller (2nd), and Frank Whitney (2nd). Mike Stacks and Frank Whitney won first place at the West Meck Tournament, and second places went to Dave Diamond, Tommy Dickson, and Clay Claiborne. Special mention should be made of Mike Stacks and Tommy Dickson, who finished undefeated. The team attributes its success to the fine coaching given by Mr. Bryan and Mr. Ulrich. In the Country Day Tournament, the Rebels had five first place finishes: T. Dickson, D. Diamond, Mike Stacks, Frank Whitney, and T. Miller. Mike Stacks was voted MVP, and received the Coach's Award for excellence in wrestling over a number of years. Senior Frank Whitney was voted Most Improved Player.

The 1977-1978 Varsity "B" Team ended their regular season with a fairly mediocre record of 10-9. Their league play, however, placed the Rebels third in the CISAA. Coached by Bob Plyler, and led by Co-Captains Jay Martin and Johnny Woods, the "B" Team opened their season with a very disappointing loss to Charlotte Latin, followed by another one to Providence Day Meeting Charlotte Christian with a 0-2 record, the Rebels beat Christian by twenty points. Unfortunately, in their next game, the Team was overpowered by a faster and altogether stronger Catholic team. This defeat was followed by a heartbreaking loss to Gaston Day, in overtime. The Rebels next two games offered the Rebels little opposition, as they beat first Catawba, and then Northside, by 15 and 22 points consecutively. In the eighth game of the season, the Rebels finished four points behind Latin, bringing their over-all record to 3-5. Following this, Country Day once again met Catholic, but the Rebels lost, 48-72. Getting a chance to avenge an earlier overtime loss to Gaston Day, the Team rose to defeat the Spartans, 49-47. This was followed by another victory over Catawba. Next, the Rebels hosted Providence Day, only to lose by twelve points. Facing Carolina Christian's Varsity Team, Country Day admirably fell by only two in the thirteenth game of the season. In the last five games of the Regular Season, the "B" team was undefeated, rising above Valleydale twice, Gaston Day, Charlotte Christian, and Northside, bringing their Regular Season Record to 10-9. Entering the CISAA Tournament, the Rebels received a First Round Bye, and met Latin in the semi-finals.

Charlotte Country Day School

School Policy

It is the belief of the Board of Trustees and Faculty that children benefit from constantly trying to reach a high academic standard that they should be taught the value and satisfaction of work that they be equipped as early as possible with the basic skills of the student. At the heart of the school is the belief that its high academic and social demands are not sufficient unless they are founded on high standards of personal morality and disciplined behavior. It is the aim of the Trustees and Faculty to maintain the school program according to these beliefs so that its student may be prepared in mind and character for further education of the highest quality.

History

Charlotte Country Day School was founded in 1941 by a group of parents seeking a higher form of education for their children. Under headmaster Dr. Thomas Burton the School had eighteen students in its first year in grades Pre-School through Fifth. In 1942 Maj. and Mrs. Stuart Cramer, Jr. offered property on 401 East Morehead as a temporary School site. In 1943 plans were drawn up for the School to be relocated on 100 acres off Sharon Rd., the land was bought by parents and friends to be bought by the school at a later date. However, World War II intervened with these plans. The School was moved to 2217 Selwyn Avenue in 1943. The Parent's Council was first formed this year to help with the permanent plans. In 1943 school began at 9:00. Pre-School, First, and Second grades went home at 12:30 or 1:00 — sometimes as late as 4:00, depending on the weather. Fourth and Fifth grade students left at 4:00 and Senior Grades left at 4:00! Mid-Morning Snack was first served this year for 5¢, lunch cost 35¢. The Tuition for Ninth graders was 400.00 a year — 10% less for more than one student from the same family. The ten teachers taught classes ranging in size from five to fifteen. In 1944 Country Day was moved to 3141 Sharon Rd. The Tenth grade was added, then later dropped. The new location offered room for both a Lower and Upper School Building, as well as an outdoor theatre, an archery range, a long jump pit, a garden, a Volleyball Court, and both Field Hockey and Football Fields. In 1945 however, the school moved to Sardis Road, where the Calvary Presbyterian Church is now located. Miss Nan Warren Taylor assumed the position of the school's first, and so far only Headmistress. In 1948 Mr. Thomas L. Stapleton became Country Day's third Headmaster. In 1951 R. E. F. Booker became Headmaster. In this year the Student Council was first formed. The School was divided into two houses at the time — Pell and Harris — or as they were more affectionately known, Poor and Horror. Each student belonged to one of the two houses, and many different competitions were initiated to determine which house was the best. A major sport of the time was Air Riflery. The first POSTSCRIPT was produced this year, it contained no pictures, merely a written account of the school year. The first POSTSCRIPT as we know it now was first published in 1953. In 1955 Mr. David L. Howe became Country Day's fifth Headmaster. Under his able direction Country Day grew from a small school to an outstanding educational institution of 500 students. In 1960 Country Day moved to its present day 60 acre, then 30 acre site on Carmel Rd. The school had six buildings: Pell, Barnhardt, Bray and Sanger Halls, Harris Gym, and Cannon Science Building. Today there are thirteen buildings occupying a 60 acre campus. In 1969 Dr. A. Emerson Johnson took the position of Headmaster followed four years later by William B. Pfeiffer. At the present Mr. Mark Hagerman is the temporary Headmaster; Mr. Horton Reed will assume the job in the fall of 1978. Country Day's colors are green and white, the same as Myers Park's — they copied us. The Rebel we use today was brought to Country Day by a teacher from St. John's in Houston, Texas. The school seal was designed by Mrs. James Hunt, and Headmaster Booker provided the motto "Fortitudine ac Pietate", which means "With Strength and Piety". Country Day has grown incredibly over the past thirty-seven years, and continued growth is assured.

Lars Mørch joined the Country Day scene in August as he participated in summer Soccer Practices. Since then, Lars has been a familiar sight around the school. Lars is our Foreign Exchange student; he was placed with us through the Experiment in International Living. Lars first became interested in living in America after talking to two of his friends who had already been involved in the Experiment. Lars, whose hometown is Aalborg, Denmark also pointed to the excitement of living in America as an enticing factor in his decision. "Not everyone gets the chance of coming here like I did," commented Lars. Lars speaks fluent English, and had no trouble at all fitting in at Country Day. "Kids are the same all over the world — there are just different traditions. American teenagers seem more patriotic here than they are at home. Mostly I have enjoyed meeting people. Everyone has been nice to me. Americans have a lot of hospitality," Lars noted. "Country Day is a very nice school, and I have enjoyed it. The students here have a much better relationship with the teachers than they do in Denmark." Lars, who stayed with the Orie Johnson family remarked that he would like to come back to America in three years and go to college here. "I want to thank everyone here who has made me feel comfortable, especially those who have tried so hard to make my stay an enjoyable one. I think I will miss the friends I made here more than I have missed my friends in Denmark."

Halloween Parade

Each year, on Halloween Day, the Upper School quadrangle is invaded by monsters, ghosts, witches, and princesses who parade by terrorizing all who line the walks. Lead by Mr. Richard Chapin, playing his bagpipe, the traditional march is looked forward to by everyone.

This year, the Seniors also dressed up and joined in on the fun. Aquilifer, which has always helped with the parade did so once again, its members dressed from Chocolate Kisses to Great Pumpkins to cats and hobos.

Right: Robots were prominent this year due to the popularity of the movie "Star Wars". One R2D2 and his friend, an unusually scary looking ghost march by. Below Left: Animals of assorted nature are always popular; this one comes directly from The Planet of the Apes. Below Middle: Lower School teachers enjoy dressing up too. Below Right: Mr. Bryan, Head of Upper School, shows off his "wheels, man". Bottom Left: Aquilifer member Julie Granger and second grader Joel Clayton enjoy the fun. Believes In Youth . . .

**We Invite You To
Open A Charge Account**

Ivey's believes in the youth of today and feels that a charge account for you helps you build maturity in handling your finances . . . and it also helps you establish a good credit rating early. If you are employed, you can apply for a charge account at Ivey's. If you are not employed, your parents may co-sign for you. We invite you to inquire about our charge accounts in the credit office of any of our metrolina stores.

A GOOD EDUCATION IS SOMETHING YOU CAN ALWAYS BANK ON.

It's the basis for everything you'll do and be for
the rest of your life. The cornerstone of your career, and the
foundation of your future. And a good education is more important
today than ever before. At First Union, we know that it's hard work
But we know too, that nothing good comes easy

I knew one that when he wrote a letter he would put that which was most material in the POSTSCRIPT, as if it had been a by-matter.

Frances Bacon

This book is the culmination of many long hours of work and worry. It's production was not an easy one, and would have been impossible without the help and understanding of many people. I would like to take this opportunity to apologize for any errors or omissions. In a book as encompassing as this, mistakes are unavoidable. However, I do sincerely apologize for them. I would like to thank the following people: Mr. David C. Barnes, our advisor, Mr. Joe DeMaio, the yearbook representative, The Rebellion for their generous financial contribution which allowed the placement of the name of the book on the spine; the Faculty and the Administration who understood our problems, Perry, who helped more than she will ever know, the families and companies who supported us with their gifts throughout the year. All my almost favorite friends also deserve thanks.

As you look through this Postscript I hope that you are reminded of all the experiences you had this year, as well as all the friends you made. This is what a yearbook is supposed to do. I hope we have succeeded, and I hope that you enjoy this 1978 Postscript.
